

COMMONWEALTH EDISON PLAZA  
OAKBROOK TERRACE, IL

**Project:** ComEd Plaza

**Owner Reference:** ComEd

**Location:** Oakbrook Terrace, Illinois

**Engineer Reference:** Klein & Hoffman

**Scope:**

- Remove and replace concrete tread & riser segments
- Rout and seal random cracks
- Remove and replace expansion joint sealants
- Apply silane sealer to exposed concrete surfaces
- Partial depth repairs on concrete retaining wall
- Remove and replace control joint sealants
- Power wash plaza surfaces
- Fabricate and Install wrought iron fencing and handrails

**Site Conditions:**

- The project was fast tracked to complete the concrete restoration before winter. Portions of the work had to be performed by crewmen in the water. All access to the office buildings had to be maintained throughout the project.
